MEMORANDUM FOR: Deputy Director for Intelligence
THROUGH: DDI Planning Officer
SUBJECT: Request for Approval of ADP Project

1. Problem

2. Current Method

None exists.

3. Description of Proposed Application

After keypunching from the entry form, an alphabetical and numerical listing will be printed out. Both will be utilized as research aids in constructing the map and its index. The alphabetical list will also be used for amendments and subsequently for map type. The amended listing, after annotation and correction, will become a complete reference index to all tribal names.
